

ICS MINI CLUBS

ICS BOOK GROUP

We know many of our members are avid readers... Our well attended and lively book swap meetings at regular ICS club meetings are testimony to that.

So here's a great opportunity! We are launching our very own book group and the initial meeting for those interested in attending will be on **Friday 27**

September at 11:00 am at the Hotel Salobrena Suites.

So if you would like to share your journey when reading with others readers, the highs and lows of a particular title... Was it a great read? Would you recommend it to others? Then this group could be

perfect for you. Anyone who is interested can come along and join in the planning of the group - ie what time and day we will be meeting, how it will run and how books will be chosen, etc.

If you are interested in coming along you can contact Nancye Killick, Sue Cottrell and Belinda Burt for information or to 'book in' (*Do you get it?*). So drop a line to the usual ICS email address: icsalobrena2016@gmail.com.
